The Return of the (7) first Division

With the subscribers being Choose a committee by the owners and the proprietors of the first Division of the five Divisions in Hampton to Divide and lay out all their Land in said Division Laying Southly of Little River, in the best form and manner that could be: who have accordingly to the best of our judgment and understanding Divided and Layed out the said Land having a regard to the Quality of the same

No suery Right ill part and proportion haueing regard to the Quality of the same: yn the following manner and form: first on the n: e: end of the falls Land is a high way Layed two rod wide from the twelve Shares to the main Road which goes from the end of the lane by Benja: Lamprey to Little River Bridg the first four Lots cutting s: wly on sd way that is Layed on the n: e: end of the falls Land & run in Length n: e: 120 rod

1 The first Lot is joining to the twelve shares number (1) its breadth all the
2 sw end is 29 $\frac{3}{4}$ rod all the n:e end is 32 rods number (2) is all the sw
3 end 25 rods all the n:e end is 35 $\frac{3}{4}$ rods number (3) is all the sw end 28
4 rods all the n:e end is 46 rods number (4) all the s:w end is 18 rods all the
n:e end is 35 rods this 4th ^{lot} is going to the main road afore said the next
seventeen Lots number 5: 6: 7: 8: 9: 10: 11: 12: 13: 14: 15: 16: 17: 18: 19: 20: 21 Lay
cutting n:w on the twelve shares s:e ly on the main Road afore said
the fifth Lot joining on the n:e end of the first four Lots and to have a
straight line on the sw side and is 30 rod wide all west end east end 31 $\frac{1}{2}$
6 the sixth Lot the breadth all the n:w end is 21 rod all the s:e end is 21 $\frac{1}{2}$ rod
7 the seventh Lot its breadth all the n:w end is 19 rod all the s:e end is 21 rod
8 the breadth of the eight Lot all west end is 18 rods all east end 20 on road 12 $\frac{1}{2}$
9 the breadth of the ninth Lot all each end is 18 rod - the breadth of the
10 tenth Lot all the n:w end is 17 $\frac{1}{2}$ rod all s:e is 19 on road 18 square - - -
11 the breadth of the eleventh Lot all the n:w end is 20 rod all the s:e end 20 rod
12 the breadth of the twelfth Lot all the n:w end is 24 rod all the s:e end is 28 rod
13 the breadth of the thirteenth Lot all n:w end is 30 rod all the s:e end 30 rod
14 the breadth of the fourteenth Lot is all the n:w end 24 rod all the s:e end is 27 rod
15 the breadth of the fifteenth Lot all the n:w end is 19 rod all the s:e end is 19 rod
16 the breadth of the sixteenth Lot all the n:w end is 18 rod all the s:e end is
17 18 square rods on road - the breadth of the seventeenth Lot all the n:w
end is 19 rod all the s:e end is 19 rod

The fifth Lot joining on the n:e end of the first four Lots and to have a straight line on the sw side and is 30 rod wide at west end ~~east end~~ 31 1/2

6 The sixth Lot the breadth at the n: w end is 21 rod at the s: e end is $21\frac{1}{2}$ rod -

7 the south Lot its breadth at the n: w end is 19 rods at the s: e end is 21 rods

8 The breadth of the eight Lott all west end 23 18 rods all east end 20 on road 12 1/2

9 the breadth of the ninth Lot at Each end is 18 rod = the breadth of the
10 tenth Lot at the n.w. end is $17\frac{1}{2}$ rod, all is 19 on road is square - - -

11 The breadth of the glenenth left all the n: w end is 20 rod all the s: e end 20 rod

13 the breadth of the third width left at the NW end is 24 rods all the SE end is 28 rods

14 The breadth of the fourteenth Lott is all the nw end 24 rod all the se end is 27 rod

is the breadth of the fiftenth Lott att the n.w end is 19 rods att the s.e end is 19 rods

16 The Growth of the sixteenth Lott all the n:w end is 18 rod all the s:e end is

17 1/2 square rods on road - the breadth of the fourteenth lot at the N.W. end is 19 rods at the S.E. end is 19 rods

The

- 18 The breadth of the eighteenth Lott all the nw end is 24 rod all the se end is 24 $\frac{1}{2}$ rod ^{Square}
- 19 The breadth of the nineteenth Lott all the nw end is 25 $\frac{1}{2}$ rod all the se end is 27 $\frac{1}{2}$ rod
- 20 The breadth of the twentieth Lott all the nw end is 35 $\frac{1}{2}$ rod all the se end is 34 rod
- 21 The breadth of the twenty first Lott all the nw end is 24 $\frac{1}{2}$ rod all the se end is 30 rod
Joining n.e. by on a high way
- 22 There in number is one half share Laying between Lottle River Cap Down
Land & Lampreys Land & John Moulton Land and a high way which will
Layed from the gate by Joseph pagers orchard two rod wide till it comes
to the Main road about 14 rod to south ward of Lottle River bridge there is
one bond in sd way to the south ward said bond being 15 rod distant sw ward
square from Lampreys corner to a pine or stone
- then we Layed a high way from from the afore sd main Road begining
a Lottle northward of Niles Bridge to fifields Island and so on to Lottle Bore
head two rod wide and the middle of the cart way as it now goes to be the
center of sd two rod way to fifields Island
- Between the sd Road that goes to fifields Island and the Main Road that goes
from Niles Bridge to Lottle Bridge is Layed seven Lotts number 23: 24: 25: 26:
27: 28: 29: the 23 Lott begining on the Main road near the grate
elm tree that stands a Lottle eastward of Lottle River Bridge and joining
westly on sd main road till it comes 56 rod to the south ward of a heap
of stones by the sd grate elm tree that stands a Lottle eastward of Lottle River
bridge the sd 23 Lott is bounded northly & eastly on Lottle River or Lottle
River Marsh going about 82 rod long on the south side the south east
corner bound going a cke on the bank all the lower grate turn of
Lottle River the 24: 25: 26: 27: 28: 29 Lotts is bounded westly on the
said Main Road that goes to Lottle River Bridge the eastly ends of said
Lott is bounding on Lottle Marsh & on the fence of Lampreys marsh - - -
part of the 29 Lott on the east end joins to Low Land belonging to fifields
Island the southly side of sd 29 Lott Layeth joining to the Road that goes
to fifields Island the 24 Lott breadth all the west end is 26 rods the
East end part on the lower turn of Lottle River and part viz 18 rod on
Lottle river Marsh the 25 Lott breadth all the west end is 25 rod all the east end
is 22 rod
- 26 The breadth of the 26 Lott all the west end is 25 rod all the east end is 24 rod
- 27 The breadth of the 27 Lott all the west end is 32 rod all the east end is 28 rod
- 28 The breadth of the 28 Lott all the west end is 40 rod all the east end is 21 rod
- 29 The breadth of the 29 Lott all the west end is 57 rod all
the east end is 28 rods

on

- on the north side of the great meadow is Layed two Lotts number 33: & 34
the 33 Lott Layeth joining suely on the grate meadow and on niles from
the main Road near niles bridge till it comes with in one rod of a popple
tree standing on the east end of sd grate meadow bounding newly on the
Road that goes from niles bridge to fifields Island 60 rod to a stake and from
sd stake to run S. E. ly 100 rod on a straight Line to another stake standing
45 rod n.e. ward of the afore sd popple tree bounding n.e. ly & s.e. ly on the
two last mentioned lines - - -
- A high way begining at the Main Road on the first hill and running
over the Lower way of Niles where the carts go over - and continues on
till it comes to north end of the Lottle river green and east to the sea -
- The north side of the afore said high way is on the following
Courses and Distances viz begining on the first hill as afore said - first
south 75 degrees east 14 rod then south 62 degrees east 78 rod then south 85 degrees
east 25 rod to niles and on the same course 16 rod more - then north
75 degrees east 14 rod - then south 81 degrees east 28 rod - then south
53 degrees east 24 rod - then north 21 degrees east 31 rod - then north 55
degrees east 23 rod to the north west of the grate Cliff of Rocks - - -
then south 75 degrees east 36 rod to the north end of the 37 Lott
then east 25 rod then south 59 degrees east 4 rod then on the north
end of Lottle River green east to the sea
- then a high way of one rod wide begining on the west side of said way
13 rod to the south ward of the turn of sd way that is Layed to the sea
said turn being made on the north of said grate Cliff of Rocks and said
way way of one rod wide runs to the east end of the grate meadow Close
on the north side of popple tree afore mentioned
- from said popple tree a straight Line to an oke stump standing
at the south east corner of the cone of Marsh which Layeth west
ward of Smiths point & joining to it
- 34 The 34 Lott joining south westly on the the 33 Lott north westly on
the Road that goes from niles to fifields Island till it comes to a stake
to the east pudg all the west end of fifields Island & north eastly
on Lottle river marsh south eastly on the afore said Line
from said popple to said oke stump which Line is the
south eastly buttment of the 33 Lott also

- (10)
- 35 the 35th Lett Layeth bounding south westly 18 rod on the said way one rod wide which is layed to the grate meadow as a fore said bound North westly on the Line from the popple to the oke stump a fore said bound north eastly on Little River marsh taking in Smiths point going about 28 rod wide against the afore said oke stump
- 36 next adjoining is the 36th Lett bounding south westly 16 rod on the afore said way of one rod wide north eastly on Little River marsh southly on the afore said way that Leads from lower way nilas sd road runs on to the sea on the north end of sd 37 Lett
- 37 the 37th Lett bounding Eastly on the sand southly on the fence that gos from Ducks mill to Little River taking in Little River green on the southly end by the fence taking in six rod of the meadow west of the upland of the green the north west corner bounds of this 37 Lett stands 36 rod distant from the turn of the way on the north of said Cliff of Rock the cross from said turn to itt is south 75 degrees east bounding northly on sd way on the north end of the green afore said
- 38 next adjoining westly to the sd 37 Lett is the 38 Lett bounding southly 34 rod on the fence that gos from Ducks mill to Little River bounding northly 54 rod as the way gos on sd high way going from the Lower way of nilas to Little River green
- 39 the next Lett adjoining westly is the 39 Lett bound southly on said fence going from Ducks mill to Little River forty six rod northly on sd way going from the Lower way of nilas to Little River green fifty three rod the next Lett adjoining
- 40 westly is the fortyth Lett bounding southly forty five rod part on sd fence going from Ducks mill to Little river and part with in one rod of the mill and floom and stroom below the mill northly on sd way going from the lower way of nilas to Little river green westly part on Ducks Dam or mill pond and part on nilas
- 41 the forty first Lett is bounding Northly on the grate meadow from nilas to the popple tree afore mentioned

- (11)
- standing on the Eastly end of the grate meadow bounding Eastly 34 rod on the afore sd way of one rod wide that gos from the way layed to Little river green southly on sd way that gos from the lower way of nilas towards Little river green bounding westly fourteen rod on nilas from the north westly corner then leaving nilas westward of itt on a line to a stake near an oke stump then from sd stake on a line to a stake standing by the way att sd lower way of nilas on the East side of nilas
- 30 the thirtyth Lett is bounding north eastly on nilas from two rod below the bridg att nilas along by the grate meadow to a stake standing about sixteen rod to the south ward of a pine sd stake standing near whor nilas comes out of sd grate meadow bounding north westly on the main Road that gos by nilas bridg eighty four rod to a stake
- 31 the next Lett adjoining southly is the thirty first Lett bounding westly on the afore sd main road forty rod bounding Eastly on part of the westly end of sd forty first Lett afore sd from the north westly corner of sd forty first Lett twenty four rod ^{att this end}
- 32 the next adjoining southly is the thirty second Lett bounding westly on sd main road fifty five rod Eastly on the westly end of sd forty first Lett twenty eight rod joining southly on the afore said high way going from the first hill to the lower way of nilas
- the forty forth forty fifth forty sixth Lett are bounded westly on the afore sd main Road the said 44th Lett is bounded 28 rod on sd main road is bounded Eastly part on nilas and part on Ducks mill pond itt southly bound by sd mill pond stands forty two rod to the south ward of sd most southly bond of way the said way that gos to sd lower way of nilas which bond is about 25 rod distant from nilas said 44th Lett joining Northly to said way going from the first hill to the lower way of nilas
- 44 the next adjoining southly is the 45th Lett is bound on the afore said main Road 26 rod and one half bounding Eastly Ducks mill pond 25 rod

46 the next adjoining southly is the 46th Lot and is bounding westly on said Main Road 27 rod bounding Eastly on said mill pond 28 rod - at high way beginning att the Main Road afore said on the South west Corner of Simon Dows Lot formerly Sloopers and runs on the Southly side of sd Lot 26 rod then run south 76 degrees East 20 rod then runs North 77 degrees East 30 rod then runs south 82 degrees Eastly 40 rod then runs south 47 degrees East 12 rod to the hook run where the cart way goes over then runs south 33 degrees East 46 rod then runs north 77 degrees East 40 rod then runs south 88 degrees East 52 rod to a stake near the fresh Meadow then runs north 49 degrees East by the meadow till it comes to the stream below the mill and then to Rucks mill

The afore mentioned high way beginning on the Southly side of Simon Dows Lot att the Main Road to be two rod wide till it comes to the hook run and then there to be three rod wide for the space of three rod in length for ever and from thence one rod and one half wide till it comes within four rod of the stream below the sd mill and from thence to the mill gate

47 the forty seventh Lot in number is bounded westly on sd Main Road twenty one rod & one half bounded Eastly on the afore mentioned way going from the hook run to Rucks mill 8 rod a small part on Rucks pond west of foot Dam joining Northly part on the forty sixth Lot part on the foot Dam and part on the forty second Lot

48 the next Adjoining Southly is the forty eighth Lot bounding westly on the afore sd Main Road 22 rod bounding Eastly on sd way going from the hook run to Rucks mill 21 rod

49 the next adjoining Southly is the forty ninth Lot bounding westly on sd main road eighteen rod & one half bounding Eastly on said way leading to Rucks mill 25 rod

50 the next adjoining Southly is the fiftieth Lot bounding westly on said Main Road 21 rod and two thirds bounding Eastly on sd way leading to Rucks mill about 39 rod

42 the forty second Lot is bounding northly on Rucks mill pond from the Eastly End of the foot Dam to the mill gate and from the mill gate to the mill way and is bounding Southly and Eastly on sd way leading to Rucks mill bounding westly on part of the 47 Lot on a line from the East Corner of the foot Dam to a stake standing on a north Northly side of said way leading to Rucks mill which is nearly bound off 47 Lot

43 the forty third Lot is bounded northly on sd way leading to Rucks mill East and Southly on the fresh Meadow in part Southly on Samuel Dows river so called extending westly on the Southly part to a stake standing 2 rod Eastly of a thorn sd stake marked & numbered 43 on the northly part to a stake standing by sd way leading to Rucks mill about 24 rod Eastly of the hook run on said way

pieces

1 Layed to Little River green being the 37 Lot a piece of Land joining on the Northly side of Joseph Redmans Land from the Mouth of the Lane Down Eastly forty four rod to a stake joining Northly on sd way leading to Rucks mill 43 rod bounding westly on sd Main Road from sd Redmans Corner to said way beginning att the South West Corner of sd Dows Lot leading to Rucks mill

2 next adjoining Eastly is a piece of Land added to the thirty sixth Lot bounding Southly part on sd Redmans pasture & part on palmers pasture thirty rod bounding Northly on sd way leading to Rucks mill thirty two rod joining Eastly to a way of 12 feet wide said way of 12 feet wide begins att the way that leads towards Rucks mill runs to the fence on the north side of palmers pasture for the palmers to go to their pasture and not to be an open road

3 a piece of Land Layed out and added to the 35 Lot bounding Northly on sd way leading to Rucks mill 21 rod Southly on palmers pasture 21 rod westly joining to said way of 12 feet wide

4 next adjoining is a piece of Land Layed & added to the 38 Lot bounding Northly on sd way leading to Rucks mill 12 rod Southly on palmers pasture 15 rod

5 next adjoining is a piece of Land Layed and added to the 33 Lot bounding Northly on sd way that leads to Rucks mill 15 rod Southly on palmers pasture or the river by sd pasture 16 rod square breadth

next

- 6 next Adjoining is a poice of Land Layed and added to the 34 Lott bounding northly on sd way leading to Rucks Mill 8 rod part on each side of the nook run bounding southly on sd River by palmer perguson or by sam^l Dows bridge its square breadth att this end is 10 rod.
- 7 next Adjoining is a poice Layed and Added to the 39 Lott bounding Northly on sd way to tucks mill 9 rod southly on sd river near sam^l Dows bridge 10 rod
- 8 next adjoining is a poice Layed & added to the 40th Lott bounding Northly on sd way leading to tucks mill 9 rod southly on sam^l Dows River 8 rod square breadth att this end joining to the 43 Lott.
- 9 there is also Layed and added to the 37 Lott a poice of land of about $\frac{3}{4}$ of one acre Layed between the S.E part of Simon Dows Lott and the way going to tucks Mill joining southly 20 rod on sd way from where said way first leaves Simon Dows old Lott to a stake and from said stake bounding Eastly on a line to rock ^{standing} North wly and so on to a stake standing by Simon Dows afore sd Lott said rock and stake being near the bend or turn of the fence in the low wet ground that is in the S.E ly part of sd Dows Lott the last mentioned stake being a Lottle Northly of sd turn.
- 10 the next adjoining is a poice added to the 32^d Lott bounding Northly on Land added to the 31 Lott 6 rod southly on sd way leading to tucks mill 2 rod westly part on the poice added to sd 37 Lott and part on Simon Dows Lott.
- 11 the next adjoining Eastly is a poice added to the 27th Lott bounding northly on sd poice added to the 31st Lott 8 rod southly on sd way to tucks mill 7 rod the next adjoining Eastly is a poice added to the 29 Lott bounding North on sd Land added to the 31st Lott 8 rod bounding southly on said way leading to tucks mill 7 rod.
- 12 the next adjoining Eastly is a poice added to the 28th Lott bounding Northly on the Land added to the 31 Lott 8 rod southly on sd way to tucks mill 7 rod.
- 13 the next adjoining Eastly is a poice added to the 26th Lott bounding Northly on the southly Line of the 50th Lott 10 rod southly on sd way to Rucks mill 8 rod.

- 15 the next Adjoining Eastly is a poice added to the 6th Lott bounding Northly on the southly Line of the 50th Lott 14 rod southly on sd way to tucks mill 7 rod.
- 16 next adjoining Eastly is a poice added to the 30th Lott bounding northly on the southly Line of the 50th Lott 11 rod southly on sd way to tucks mill 10 rod.
- 17 the next adjoining Eastly is a poice added to the half Lott number 22 bounding northly on the southly Line of the 50th Lott 14 rod southly on sd way to tucks mill 14 rod.
- a poice added to the thirty first Lott bounding northly on the southly line of the fiftyeth Lott 60 rod westly on the main Road 43 rod $\frac{1}{2}$ taking in all the gore between Simon Dows Lott and the main Road bounding southly part on sd Dows & part on a line on which the northly ends of the poices added to the 32:27:29: & 28th Lotts are bounded.
- A high way 3 rod wide beginning att the end of the Lane by Benjamin Lampneys on the head of the Lotts and runs to Joseph Moultons Corner: the Land in the plains is Layed out into 38 Lotts or poices.
- the first poice n:1 is added to the first Lott and is bounded south wly on sd way 10 rod the Length 27 rod running n:e breadth att north end 10 rod the n:e corner bound is by the main Road the south East corner bounds stands from Simon Dows House north 20 deg^{rs} west Distant 4 rod.
- 2 the next adjoining westly is a poice number 2 added to the 2nd Lott bounding swly on sd way 8 rod running n:ly 28 $\frac{1}{2}$ its breadth att this end 8 rod.
- 3 the next adjoining wly is a poice number 3 added to the 3d Lott bounding swly on sd way 8 rod the Length about 23 rod its breadth att n:e end is 8 rod.
- 4 the next adjoining westly is a poice number 4 added to the 4th Lott bounding south wly on sd way 6 rod its Length on the n:w side is 20 rod. breadth att n:ly end is 8 rod. a Line from the nw corner bound of this 4th poice to the n:e corner bound of the sd first poice to be the n:ly buliment of all those 4 Lotts.
- 5 the next adjoining westly is a poice number 5 added to the 5 Lott bounding swly on the sd way about 10 rod n:ly on the falls Land 3 rod. the Length about 40 rod.

- 6 The next adjoining wly is a price added to the sixth Lott and number six bounding swly on sd way 8 rod north e ly on the falls Land 8 rod
- 7 The next adjoining mostly is a price added to the 7th Lott & number 7 bounding swly on sd way 6 rod n e ly on the falls Land 6 rod
- 8 Next adjoining mostly is a price number 8 added to the 8th Lott bounding swly on sd way 5 rod n e ly on the falls Land 5 rod
- 9 The next adjoining is a price added to the 9th Lott and is number 9 bounding swly on said way 4 rod n e ly on the falls Land 4 rod
- 10 the next adjoining mostly is a price numbered 10 added to the tenth Lott bounding swly ^{on sd way} 4 rod north eastly on the falls Land 5 rod
- 11 the next adjoining mostly is a price numbered 11 added to the 11 Lott bounding swly on sd way 6 rod n e ly on the falls Land 6 rod
- 12 the next adjoining mostly is a price added to the 12th Lott numbered 12 going 8 rod on sd way and 8 rod on the falls Land
- 13 The next adjoining mostly is a price numbered 13 Added to the 13th Lott going 12 rod on sd way and 12 rod on the falls Land
